BlueSky Health Seeking Community Input on Ideal Health System

Houghton, MI --- BlueSky Health is sponsoring a community forum to obtain opinions on how health care providers can better meet patients' needs.

This is an opportunity to directly influence the continued development of BlueSky Health's new system of delivering healthcare. If you have an opinion on how a medical clinic or hospital should operate, you are requested to attend and voice it. Insured and uninsured patients, business owners, and health plan administrators are specifically encouraged to attend.

Based in Houghton, BlueSky Health operates a family medicine clinic and is committed to sensible changes in the delivery of healthcare as it works to develop an ideal health system.

The forum is scheduled for Thursday, September 20, 2007 from 6 pm to 7:30 pm. in the BlueSky Conference Room, BlueSky Health, 903 Razorback Drive, Houghton, MI. Free refreshments served.
